## Auxiliary Corps becomes class

For the first time at HHS, students were given credits for being in the Auxiliary Corps. The auxiliary corps was a class taught by Mr. William Darnell and Mrs. Cynthia Lambeth. Routines were taught to the girls by Lisa Malmquist, Debbie Kranz, Heidi Freckleton, and Allison Shamblin who learned many routines while attending a special summer camp.

The girls also had two uniforms, one for football season which matches the band uniforms, and another for basketball season.

Speech classes included basic speech, discussion and debate, and interpersonal communication. The biggest change during the year was the posting of grades so that students could see their progress, which Miss Shirley Mumaugh believed helped the students work harder. In speech the students worked on preparing, presenting, and criticizing speeches. The drama classes stressed more improvisations, as well as make up, pantomime, fight scenes and dramatic scenes.

1. In sixth hour acting class, practicing a wedding scene are Sophomores Kathy Manning and Michelle Severan.

2. In drama class students practice playing tug-of-war.

3. For their first routine this year the corps did a Charlie Chaplin routine.

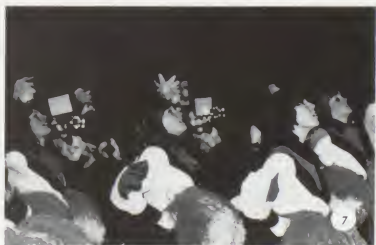

4. Auxiliary Corps: S. Samples, R. Castro, A. Shamblin, L. Malmquist, H. Freckleton, D. Krantz, J. Keefe, S. Janiczek; Row 2 L. D'Aloisio, C. Sassman, C. Bianco, L. Fowble, T. Hubble, N. Castro, L. Kostromin, L. Maxwell; Row 3 C. Erwin, L. Cloutier, L. Balog, D. Thompson, T. Edmaiston.

5. Bandaging Sophomore John Rayter is Sophomore Bruce Stookey for Miss Mumaugh's class.

6. Flag girl, Junior Chris Sassman, does a routine for fans at a football game.

7. Pom-pom girls do a routine at half time at the homecoming game.

# ATHLETICS

"Another One Bites the Dust." That was the theme this year for the Bricks football team. After a loss to Warren Central, the Bricks picked up speed and continued to win all games afterwards, leading up to the state championship game against number-two ranked Carmel.

This was the second consecutive year the Bricks went downstate. Unfortunately, as last year, we lost the game that is. Our spirit remained as strong as ever.

Don Howell Jr., Mark Drobac, Gregg Brown and Bob Kobza, as the team captains, led the Bricks to their outstanding record of 11-2.

## "Bite the Dust" used as theme

1. All-State senior signal caller Bob Kobza sets up and looks down field for his receivers.

2. Juniors running back, Paul Somerville, raises his arms high in the air after scoring.

3. Senior QB Bob Kobza calls the snap count before taking the snap from Joe Balash.

4. Getting their last pep talk, the Bricks pull together as one.

5. Line take off, pulling guards, and lead backs are some reasons the Bricks scored over 300 points.

6. Senior running back Mark Drobac tries to put the moves on a would-be tackler.

7. Senior All-Area Def-end Joe Balash puts the crush on an opposing QB.

8. The 1980 varsity football team-Row 1, D. Christian, D. Budzielek, B. Kelley, S. Hicks, B. Kobza, M. Drobac, G. Brown, D. Howell Jr., T. Barnett, C. Shinneman, J. Hevel, G. Moon; Row 2, J. Springman, P. Burnett, R. Urbanick, L. Orosz, P. Somerville, J. Fleming, J. Scroggins, K. Cieskiewicz, T. Richardson, T. Melinkoff, K. Jarus; Row 3, S. Ford (Trainer), J. Arrington, S. Armato, R. Majeski, J. Balash, R. Glasser, R. O'Meara, M. Pennock, J. Coons, R. Argato, M. Pecovitch, G. Davis, D. Williby, D. Kavanof, D. Howell (Coach); Row 4, T. Kerr (Coach), S. Freckelton, L. Rich, J. Eustice, R. Johnston, K. Richardson, J. Molinaro, T. Blaney, C. Donaldson, P. Lewis, R. Fonseca, B. Cook, T. Bell, C. Kellens, J. Hicks (Coach); Row 5, C. Frank, S. Shudick, K. Locke, G. Spencer, C. Heuring, D. Wilson, B. Ledyard, R. Oppman, K. Klein, D. Walker, J. Raider, V. Babich, and J. Clifford.

The team succeeded again in winning the Duneland Conference title. Coach Don Howell is especially proud of the fact that the Brickies won the title five times in the past ten years. That's quite an impressive record. Coach Howell received his 100th win from his 15 years of coaching from the Hobart-Lew Wallace game with a score of 57-7.

Coaches Craig Buford and Steve Balash brought their JV football team in with a successful season record of 7-2, placing them second in the conference.

## Success for Volleyball

The Brickie volleyball team, coached for the second year by Betty Funkhouser, had a successful season and ended with a record of 13-11. In conference play, the girls received a fifth place stand, the highest of any other Hobart volleyball team. After defeating Calumet in the first round of sectionals, the girls team advanced to the semi-finals but were defeated by Crown Point in three games. Receiving the serving award was Shari McEuen, the spiking award went to Cindy Dunn, most improved was Kathy Field, and Paula Noesges was honored with the mental attitude award.

The girls golf team was again coached by Lois Mazurek. Although the team lost all the meets it played, the girls still had a good time on the Indiana Ridge golf course.

1. Senior Pauline Potts has true golfing form while preparing to tee-off.

2. Setting up the stroke is as much a part of golfing as tees, clubs, ball and caddies as shown by Barb Ledyard.

3. Pulling her own golf cart at Indian Ridge is Junior Dawn Poskins.

In the first game, which Hobart won 2-1, Dave Brendza tripled and drove in both runs. In the third game, the Brickies fell short by one run to Chesterton by a score of 2-1. All the school changes that took place fell on the Senior Class. The Class of 1981 felt the blow of previous class privileges taken away, such as driving on lunch hours. One change that seniors benefited from was senior privilege week. Students voted on in-school activities in their government and economics classes to do during the week. Beside the hustle and bustle of preparing for graduation, students were meeting deadlines for financial aid, college applications, weddings and recruiting forms.

# Freshmen sponsor Essex concert

Freshman Class officers are Tammy Clapp, secretary; Angie Forbis, president; Michelle Schuman, treasurer; and Kathleen O'Brien, treasurer.

The Freshman Class sponsored a concert with Essex to raise money for its future activities. The members have also become involved with many high school clubs and activities. Although they couldn't participate in Football Homecoming, they did in Basketball Homecoming. Their float won second place and their decorations finished fourth. Their homecoming princess was Dawn Hicks. They also helped put up decorations for Christmas.

## Administration shortens passing time

*The administration changed the passing time from five minutes to four minutes so that there wouldn't be as much congestion in the halls. A new activity period to the end of the day for club meetings and pep sessions was also added. Students were not allowed to drive at lunch or any other time during the school day for the safety of the students.*

## Cafeteria opens old lobby lunch line

Lunch hours were cut from three to two which caused longer lines. To escape these long lines at lunch, a new lunch program was added. This program provided a sandwich, milk, and fruit served from the concession stand in the old lobby. Lunches stayed at 70 cents a piece but milk was raised from seven cents a carton to ten cents.

Two custodians were brought over to HHS from the junior high.

Secretaries were kept busier in all their duties during the year due to the added number of students. There were also two new secretaries added to the staff.

## Guidance counselors hand-schedule students

*The Guidance Office was busy with hand scheduling instead of computer scheduling.*

*New rooms were added and redesigned to accomodate Mr. Bernard Smith, the 9th grade guidance counselor and for more filing space. New offices and rooms were added to the Attendance Office. Instead of using the lecture room across from the Attendance Office, a Learning Adjustment Room (LAR) was added. A sick room was designed and two beds, a medicine cabinet and sink were placed in the room. Mr. Jerry Hicks, who came up from the junior high, received his own office to handle freshman and sophomore discipline. As a new policy, absentee admits had to be picked up before 7:30.*

*Students had the option of making up tardies during activity period or receiving a grade deduction.*

*A new ribbon award machine was obtained by the Athletic Office to design its own awards for athletic competitions. The athletic handbook was revised.*

# Teachers spend time on NCA evaluations

Mr. Tom Workman shows his true colors (?) at one of the year's football pep sessions.

Teachers' in-service days were spent preparing for an evaluation by a committee from the North Central Association, April 13-16. Teachers were assigned to at least two evaluation committees and were responsible for their self-evaluation.

Five new teachers were added to the HHS staff. They included: Mrs. Joyce O'Malley and Miss Susan Roark, Special Education; Mr. Michael Zoladz, Industrial Arts; Miss Deborah Glass, Physical Education; and Miss Kathy Fasel, English. In addition to these, 18 teachers were brought up from the junior high to teach the Freshmen.

# High School is a waste of time . . .

. . . unless you find a job that turns you on and makes good use of your education. Inland Steel wants only people who want to use everything they've learned in high school--and strongly desire to grow personally and in their chosen field.

Inland's future growth depends on the creativity and productivity of its people. If you want a really challenging opportunity to contribute--with the rewards and responsibilities that go with it--Inland wants to talk to you.

## INLAND STEEL COMPANY

We need action-seeking graduates for opportunities in clerical . . . production . . . technical . . . and craft apprenticeship areas.

Think it over. If you have high aspirations and a good high school record, take time to find out about a career with us.

# Nabhan, Neff retire

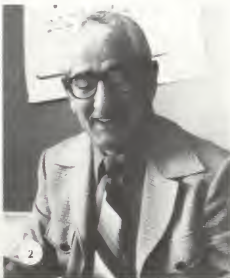

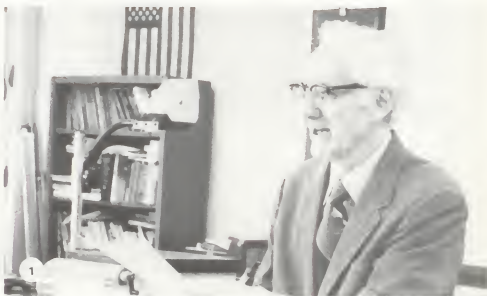

After nine years at HHS, Mr. Walter Nabhan retired from his position as assistant principal.

Before he came to Hobart, he served at Gary Wirt as assistant principal for four years. Besides serving as assistant principal, he spent 21 years as head coach of football, nine of which he was also athletic director.

He retired because he needed a "change" and planned to pursue traveling and golf.

Mr. Robert Neff, Spanish and Sophomore English teacher, also retired this year. He had no definite plans but felt that he and his wife could get into golfing or boating. Every seven years a committee from the North Central Association (NCA) visits HHS. The reason for their visitation was to evaluate the school. The NCA is an organization concerned with the development of high standards for universities, colleges, and schools. The evaluation took place from April 13-16, 1981.

Students raised over \$4,000 for the Pepi Jump Rope for Heart Association.

Teaching students "Little Red Riding Hood" in Spanish is Mr. Robert Neff. Grading typing papers is Mr. Walter Nabhan as he substitutes for Mrs. Judith Harder.

Looking over and discussing the NCA evaluation sheets are Mr. Vidal Lopez and Mr. Fay Trammel.

Jumping rope for the Pepi Jump Rope for Heart Association are Juniors Rusty Williams and John Molinaro.

The deadlines are met and our work is all through. All the hours and thoughts are put on paper to be seen again next fall. I've enjoyed being on the yearbook, and being editor has taught me even more responsibility. My hard work, along with my wonderful staff's work, have been put together with great effort and joy. (Joy that it's finally finished.) We've had a great time and will all be waiting to see the results of the hard work when the book comes out. The yearbook wouldn't be possible without the great staff I had this year. I would like to thank them all and wish them luck.

I would also like to thank Mrs. Cynthia Lambeth, our advisor, for putting up with me and all my "Changes." Also, for all the help she's given. I owe a special thanks to Mr. Bob Henning for his assistance as our representative. An even bigger thanks goes to Josten's American Yearbook Company for the fine work they do each year by publishing our yearbook. Finally, I wish next year's editor, Brigitte Sandilla, good luck and remember all those deadlines.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.1 million (Office of National Statistics 1999).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's services. The strategy is based on the following principles:

- Older people should be able to live independently in their own homes for as long as possible.
- Older people should be able to access the services and support they need to live independently.
- Older people should be able to participate in the decisions that affect their lives.
- Older people should be able to live in a safe and secure environment.

The strategy also sets out a number of key objectives for the future of older people's services, including:

- To ensure that older people have access to the services and support they need to live independently.
- To ensure that older people are able to participate in the decisions that affect their lives.
- To ensure that older people live in a safe and secure environment.
- To ensure that older people are able to live in their own homes for as long as possible.

The strategy is a key document for the future of older people's services in the UK. It sets out a vision for the future of older people's services, and provides a framework for the development of policies and services to meet the needs of older people.
